## Form Add Item

The screenshot shows a web application interface for a candy shop. The background is a detailed illustration of a shop interior with shelves of jars, a counter with various candies, and several customers. Overlaid on this is a light orange form titled "ADD ITEM". In the top left corner of the form area, there is a link "<< Home". The form contains the following fields: "Product Name" (a text input), "Variety" (a radio button group with options "Chocolate", "Candy", and "Cake"), "Stock Number" (a text input), and "Price" (a text input). At the bottom right of the form is a button labeled "Tambah".
